

Acumen nEHR[®] Patient Portal

The Acumen nEHR Patient Portal is an online application that allows patients and/or authorized representatives of the patient to access the patient's upcoming appointments and health information.

Acumen nEHR Patient Portal Web Address:

<https://myhealth.acumenehr.com>

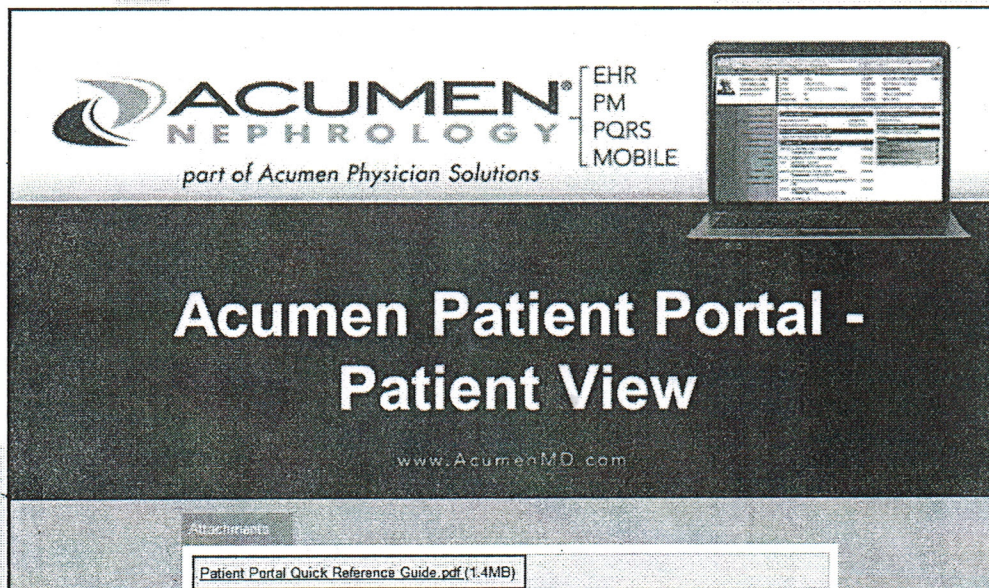

The screenshot shows the Acumen nEHR Patient Portal login interface. At the top left is the Acumen Physician Solutions logo. Below it, the text "Patient Portal" is displayed. A button labeled "Login to the Patient Portal" is visible. In the center, there is a photograph of two healthcare professionals, a woman and a man, both wearing white lab coats. To the right of the photo are the login fields: "Username: *" with a text input field containing "username", and "Password: *" with a masked password field containing "*****". Below these fields is a "Sign In" button and a link for "Forgot your password?". At the bottom of the page, a disclaimer states: "The system should only be accessed by authorized users."

For more information, please watch the video and download the Quick Reference Guide at the following web address:

password: AcumenPatientPortal

This advertisement features the Acumen Nephrology logo on the left, with the text "part of Acumen Physician Solutions" below it. To the right of the logo is a list of services: EHR, PM, PQRS, and MOBILE. Further right is an image of a laptop displaying a software interface. The main text in the center reads "Acumen Patient Portal - Patient View". Below this, the website address "www.AcumenMO.com" is provided. At the bottom, there is an "Attachments" section with a link to "Patient Portal Quick Reference Guide.pdf (1.4MB)".

Please contact the doctor's office for assistance with logging into the Patient Portal.
